Re: Jesus Christ of Nazareth OurSacred.us Center's Criminal / Civil Case(s) against the Catholic Church. In the Vatican, around our Globe but starting in our United States of America. For Fraud, RICO & Domestic Terrorism - Election Interference.

Where the evidence of the Catholic Churches; before Nov. 5th, 2024, unlawful conduct, was most evident. In BSO Conte` Jail's Spiritual Dorm's Kiosk starting on 8/6/2024 then through the next month. And in Judge Porth's Broward Mental Health Court on the record 7/x/24 and 8/6/24, and about 5 months before. All culminating in Conspiracy to commit Murder upon by person.

And, where 5 other Catholic Priest had been killed since I had been attempting to get this Catholic Church Criminal Case in. Where -if in this Catholic Churches Door would have been rightfully closed and these Deaths on American Soil would NOT have occurred!

But by SGT. Andrews, personal threat against me; in Broward County Sheriff's custody. Where BSO Guards had already tried to stick me in a cell. With an already violent psychopathic inmate. Screaming, acting out by slapping his sandals on the floor and bed. But the younger guard did NOT, it was NOT up to this. When I pointed out that there was an empty cell next to the violent inmates one.

Where the younger one looked at the older more seasoned Guard, where the older Guard then relented. Then they placed me in the empty cell. Where SGT. Andrews said after calling me into an office, with me prior referencing this event on said Kiosk and the reason for our meeting. That I was lucky that those 2 BSO Guards. Did NOT place me in the cell with the violent inmate! And SGT. Andrews was laughing about this in my face at me. Where I had also told him that the evidence on said Catholic Church was already also referenced in the BSO Kiosk Messages.

All demonstrating with the chain of evidence being Confessional Booths. In every Catholic Church in America & Worldwide. Where this Pope and Catholic Clergy are making false Judgements on Sin, Forgiveness and Salvation. Meaning that the Pope & Catholic Priests are NOT only Idols before God. But are also False Prophets and in league with Lucifer!

Where-with Pope Francis changing his Judgement; and those Infallible Judgements of past Popes for over 1,435 years, on Gay Unions. Only proves that this Catholic Churches Doctrine, of their False Prophet's Fallibility. That the Pope is just a fragile man and NOT God!

Demonstrating deception and with Injuries; meeting the legal definition of Fraud and, as extensive. As this Catholic Churches Crimes have been, since before 590 AD. Only Prove that their Pope as well as the Catholic Church & Clergy are all: Idols before God; False Prophets – Antichrist; and Masquerading as Angels of Light - meaning from within a Satanic Organization, by Biblical Definitions.

As well as Breaking both the 1st Commandment of Moses' 10 along with Jesus Christ of Nazareth perfect 2. As well as that as the Catholic Church is spread throughout America and in every State, near every City/County. That the Catholic Church is also engaged in RICO Activities, clearly. Along with having violated our U.S. Constitution. With the Broward County Mental Health Court and Broward County Sheriff; in their Jail on said Kiosk.

By denying acceptance of the Catholic Church Lawsuit. I had prepared with all of the necessary Scripture references. And filing said Criminal Charges for me; as I was incarcerated in BSO Jail. Nor would they get me the FDLE or FBI as necessary as the Catholic Churches Crimes include RICO.

And those that are protecting this Catholic Church; especially in Law Enforcement. Are committing the ungodly acts of allowing a Global Satanic Pedophile Ring. Into good American's Families lives and their living rooms, even. Where even on the Holidays, on all Major News Networks, especially during Christmas.

Are the Fraudulent, Domestic Terrorist from a Satanic Organization. The Pope and Catholic Clergy praise their own effects and deceptions, Crowning themselves Lord and King. Falsely publicly, on our T.V.'s and now Social Media for all in our U.S. and the World to see.

When Case Law is clear and has been extensively reviewed. With the Catholic Church Fraud/RICO causing Irreparable Injuries; to our Society since its inception. That Neutral Principles of Law Apply & the Catholic Church has NO 1st Amendment Exemptions. Where Jurisdiction is clearly established in County, State and Federal Courts. As the Catholic Church is operating Criminally in all of these Jurisdictions.

God Bless America, these Tasks give U.S. & each and every one of .us
Yahweh's Child Reporting Live @ OurNews.us Matters Most!

NOTES: Where-if Law Enforcement does NOT want to either: make arrests today; or give OurVoices.us Case # 's to refer Cases to appropriate Florida and U.S. Attorney Generals and or higher Offices, then again this will all be reported publicly on 1D=Trinity's OurNews.us Network. As well as further pending Class Action Civil Complaints will be filed. Until Criminal Charges are filed, pursued and needed arrests are made. As the Catholic Church must have known of their deceptions, simply, at least in the Vatican since its founding.
