

## Introduction to Catholic Church Criminal / Civil Case(s)

**To U.S. and World Governments do NOT disclose publicly!**

Respectfully, evidence is clear and apparent - Catholic Pretty softer false judgments on sin, forgiveness and salvation. At all Catholic churches confessional booths in near every City, County, and every State throughout our blessed United States of America; and worldwide. As this is "Common Knowledge". Where the Pope, by Catholic Churches Doctrine, is "Infallible" ruling with Absolute Power over the House of God, a metaphor for the Catholic Church.

These are deceptions as the Pope. Clergy are only fallible men. Fact. Changing their minds on sin, forgiveness and salvation. Perfect examples are gay, pedophile, Catholic, preach priests. We're always forgiven. By the Catholic Church. Even if they were unrepentant. Catholic Church claimed they were doing God's work. And collecting donations. Transferred. To other churches, sometimes in other nations even. Only to continue their crimes, injuries. Of others.

Where in the past Gay people of Catholic Church condemned gay people of age. Even if they were married. They were unforgivable and going to hell. But now Pope Francis. Changed his mind. And the Infallible Decisions of passed / past Catholic Popes for over the last 1,600 years now. Proclaims. Gays if married. They are blessed and they go into heaven. All things being equal. Research and read the news. Which attests to these facts.

**But as infallible or perfect as God? No reason to change already perfect Judgements as they are already perfect / permanent!**

Fraud can be simply defined as misrepresenting material existing fact(s) using deception with causing injury. So now here OurSacred.us has proven, proven Fraud, Rico Violations. And since the beginning of the Catholic Church. Over 1600 years ago he had date. And they're now currently defined under our United States Domestic Terrorism laws. As they also have control over our Elected Decisions and in our Representative Democratic Government. This will be appalling and unheard of after the Public is notified & made aware, if these crimes w/rightful punishment are NOT addressed.

OurUnited.us / OurVoices.us / OurSacred.us are only notifying our U.S. and World Governments, so that Society faces no harm, as Jesus is our only "Way" into 1D=Eternal True in Heaven - Trinity into Ever-Lasting life, resting peacefully as 1 within 1D=God Trinity.
