

Preamble to OurSacred.us

Only God can judge, forgive, and offer salvation to heaven. Even though I hold Jesus's forgiveness in my heart, mind, body and soul. All I as a person can do is truthfully and honestly attempt to walk in Jesus's footsteps. Developing my own natural talents into highly refined skills, into mastery of one's arts. To create Heaven upon the earth, once again.

Walking in Jesus' footsteps does NOT mean being poor. It means being rich in God Trinity. While providing more than enough for myself. My retirement and my family. Then using all my extra resources. To lift the needy. Along with all of God's children up on the earth. To God's greater glory.
